

## 38. International Moto Morini Treffen 2018 June 22 to June 24

Landmuseum in D-65391 Ransel-Lorch

<http://www.flk-ransel.de/>

The Stammtisch Taunus invites for 2018. Once again, we meet in the area where "Moto Morini Treffen" started back in 1980.

The meeting will take place at and in the museum in D-65391 Ransel on the right-hand heights of the Middle Rhine Valley. In and around the museum there is enough space for machines, for tents or campers, all of which may also be built up or parked in the museum itself. Unfortunately, no open fire is possible on the site. We are looking for opportunities a bit off.

The owner of the restaurant, which is located to the museum, will provide catering. Surpluses from our meeting are for the club that runs the outdoor museum. Therefore, we cannot offer a flat rate like in recent years.

We are working on a program for the meeting. There will be mandatory trips on the winding roads of the Taunus. A trip to the shop of Volker Heim is under consideration with the possibility of a measurement of your bike on his power dynamometer.

Private accommodation is available in limited numbers in the village itself. We will try to reserve it for the weekend. Interested parties please contact me. We will search for more options.

You can find registration forms and prices on a separate sheet.

Further details will be announced in time.

For further questions about the event, please contact me.

For the Morini Stammtisch Taunus:

Werner Wilhelmi, Bäderstrasse 15, D-56357 Holzhausen Germany, Phone: +49 6772 9693469,
